2018 IMPACT REPORT

The Club gave me HOPE! I was able to be happy again and excited for my future.

Chanelle Williams
Asylum Hill Youth of the Year

A few months before joining the Club at age 12, my mom passed away. I was ready to unleash my grief and find a routine to help get some “normalcy” in my life. For the past five years, the Club has done that and more.

The Club is a place I can release stress and enjoy activities again. The Club helped me focus on something else about my future - and not to focus so much of what was happening at home. They enabled me to see all the opportunities I can have. The staff gave me hope again and excited for the future. It’s a big part of who I am.

The Club taught me to be my own person. It inspired me not to be scared and show the world I am a strong girl who will do whatever it takes to be successful.

The Club is like a second home and the staff are an extension of my family.
